STRAIGHT TO THE HEART OF LAPLAND!  
Travel through deep forests and fantastic  
mountain landscapes.

KUNGSLEDEN

HOTELL TOPPEN

Your visit begins and will end with a stay at Hotell Toppen. Plan your trip or reflect on what you have seen as you relax in the sauna with its tree top views of the surroundings.

The adventure continues with a journey into the wilderness as you head to Ammarnäs, where the road ends and the mountain magic begins.

You make your way along a safe and well-marked trail which leads you through the pristine mountain environment. The trail ends at Hemavan from where you can return to Storuman by bus and stop off at the same hotel from where you left off.
